- Dazzling look & glow
- Enhanced lustre & brightness
- Encourage cell turn over
- Impart luminous glaze
- Reduce appearance of fine lines
- Remove dullness & impurities

COLLAGEN (Dry Skin)

- Prevent static wrinkles & sallow skin
- Enhanced elasticity for skin tightening
- Boost antioxidants & collagen renewal
- Reduce appearance of fine lines
- Reduce dullness & dark spots
- Evens tone, brightens & optimizes moisture level

ACTIVATED CHARCOAL (Oily Skin)

- Excellent sebum control
- Reduce appearance of acne / pimples
- Reduce formation of WH/BH
- Reveal clean & clear skin
- Evens skin tone & texture
- Synchronize melanin production

SKIN LIGHTENING (All Skin)

- Enriched with herbs known for their skin lightening and anti tanning properties
- Effective in removing dark spots
- Excellent for skin rejuvenation, moisturizing and skin conditioning
- Helps in fading of hyper-pigmentation for all skin tones
- Imparts lasting radiance

DE-TAN (All Skin)

- Enriched with herbs containing Vitamins and Squalene
- Preserves Skin's Resilience and promotes cell turnover
- Helps reduce Pigmentation and promotes deep moisturisation
- Aids Collagen production
- Attacks free radicals to prevent signs of ageing
- Lightens pigmentation for even skin tone

SKIN TIGHTENING (Dry Skin)

- Helps reduce wrinkles, age spots & fine lines
- Mitigates damage caused by free radicals
- Contains herbs with anti-oxidant & anti-microbial properties
- Helps restore shine and suppleness to the skin
- Enriched with natural bleaching agents
- Imparts instant radiance and helps prevent premature ageing

All Skin

Dry Skin

NEEM (Oily Skin)

- Neem is known for ages as a purifying, cleansing and healing herb
- Excellent disinfectant properties
- Protects from acne, pimples and skin rashes
- Known to protect skin from free radicals and harmful effects of dust and dirt
- Effective cleansing and sebum control for a clean and oil free look

MIX FRUIT (All Skin)

- Helps fade away dark spots for excellent skin tone
- Rich in Alpha-Hydroxy Acids, Antioxidants, Vitamin A, C and E, Salicylic acid, Flavonoids, Exfoliant and Minerals
- Promotes skin renewal, rejuvenation and cell turnover
- Fights free radicals to delay signs of ageing

TURMERIC (Oily Skin)

- Source of Curcumin, Vitamin B & C & Antioxidants
- Known to treat several skin problems
- Regulates sebum production, lightens up and balances skin tone and helps reverse signs of ageing
- Helps reduce skin pigmentation

PAPAYA (All Skin)

- Papain works on pigmentation for natural glow
- Rich in antioxidants and vitamins A, C & E
- Excellent skin cleanser for blemishes & blackheads
- Helps work on face pits and promotes cell turnover

Oily Skin

All Skin

- Charcoal deep cleanses and protects skin from the harmful effects of dust and dirt.
- Bamboo has effective antioxidant properties and also fights free radical damage
- Bamboo is rich in silica that supports collagen production

Oily Skin

COMPLETE FACE CLEANUP (All Skin)

- Complete Face Cleanup is an instant solution for exfoliating, nourishing, purifying, cleansing and whitening.
- It is a quick facial treatment for instant glow.
- Total Cleanup is a carefully formulated combination of natural botanical herbals
- Extracts and clays for lasting results.

Properties of Key Ingredients:

- Purifying and Healing (Green Clay)
- Healing (Turmeric & Basil)
- Disinfectant (Neem)
- Detoxifying and Cleansing (Kaolin)
- Moisturizing (Vitamin E)

Benefits of Key Ingredients:

- Basil protects from acne and helps remove dark spots, cleans pores and prevents sun induced premature aging
- Turmeric Helps lighten pigmentation and evens out skin tone. It also imparts luster and glow to the skin, making it look beautiful and radiant
- Neem relieves skin irritation and protects from blemishes, free radicals and harmful effects of dust and dirt
- Kaolin is enriched with minerals including silica and essential phyto-nutrients. It controls sebum production and helps in removing dead skin cells
- Vitamin E is an excellent moisturizer that also improves skin texture and helps in reducing wrinkles
- Shea Butter contains Vitamin A that helps in healing damaged skin and Vitamin E which is an antioxidant that keeps skin safe from free radicals
- Green clay attaches itself to the molecules of toxins so they can be rinsed away. It is highly absorbent and effective for sebum control

FACE SERUM (All Skin)

**Infused with
Collagen & Retinol**

- Collagen builds a matrix to provide elasticity and firming to skin structure. By imparting deep conditioning, it eventually reduces appearance of fine lines & wrinkles.
- Vitamin A mitigates the effects of environmental stressors, refines & revives skin surface for an even complexion and helps reduce appearance of fine lines and wrinkles.
- Green Tea (Camellia sinensis) has antioxidant properties, polyphenols & catechins that help in scavenging free radicals and impart an even skin tone.
- Witch Hazel (Hamamelis virginiana) with its tannins make it a natural astringent & helps remove excess oil.
- Grape seed (Vitis vinifera) naturally increases collagen production and helps to tighten, tone and lifts loose, saggy skin.
- Aloe vera (Aloe Barbadensis) with its antioxidants, vitamin C & its healing properties imparts natural glow and fights against blemishes.
- Carrot Extract (Daucus Carota) has natural SPF properties that protect your skin from harmful UV rays and its antioxidants help prevent sun induced ageing.

All Skin

- **Hyaluronic Acid** plays critical role with its unique ability to hold in moisture. Hyaluronic acid can adjust its moisture absorption rate based on the humidity i.e. relative to the climate. It also protects the skin from UVB rays that can cause sunspots.
- **Retinol** mitigates the effects of environmental stressors, refines and revives skin surface for an even complexion and helps reduce appearance of fine lines and wrinkles.
- **Vitamin E** apart from being an excellent moisturizer, fights free radicals to control premature ageing.
- **Cucumber** (*Cucumis sativus*) contains minerals, enzymes and vitamins B1 and C. It is effective in treating puffy and tired eyes and many kinds of skin eruptions, black heads, wrinkles and dryness. It improves overall skin complexion by making it soft and supple.
- **Carrot seed** (*Daucus carota*) is known to have a natural SPF. Being high in antioxidants, it helps prevent sun induced ageing. Its high content of vitamin E and C help your skin moisturize and protect against sunburns.
- **Almond** (*Prunus dulcis*) is rich in Vitamin E, fatty acids, minerals and proteins that protect your skin from oxidative stress, UV radiation damage, dry and itchy skin conditions to keeping it soft, smooth and supple.

UNDER EYE (All Skin)

SHEAR RADIANCE (All Skin)

- **Bearberry** (*Arctostaphylos uva-ursi*) contains arbutin, a natural lightening compound that helps in skin-brightening, lighten dark spots & age spots. Bearberry is packed with antioxidants and has natural sun protective benefits for skin.
- **Mulberry** (*Morus alba*) helps in regulating melanin synthesis that helps achieve lightening & brightening for even complexion. With naturally occurring vitamins & flavonoids, its cleansing properties help in clearing dark spots & blemishes. The antioxidants prevent oxidative damage & its high water content keeps skin hydrated & moisturized.
- **Licorice** (*Glycyrrhiza glabra*) contains glabridin, that helps fade the appearance of under-eye dark circles & age spots. It contains antioxidants that protect from environmental stressors. It also contains licochalcone that helps in sebum control.
- **Lemon** (*Citrus*) contains a variety of minerals and vitamins that help in mitigating wrinkles, acne, pigmentation and dark spots. The antioxidants present in Lemon fights free radicals and helps in skin detoxification.
- **Papaya** (*Carica papaya*) contains beta-carotene that helps prevent free radical damage. As an excellent exfoliating agent, papaya has dead cell dissolving abilities that helps achieve a glowing skin. Papain effectively works on blemishes, pigmentation, freckles and uneven skin tone.
- **Turmeric** (*Curcuma longa*) contains curcumin and antioxidants that work on scars, blemishes and uneven skin tone to impart shine, lustre and glow. Turmeric has healing properties that may prevent premature skin ageing and mitigate the reduction in skin elasticity caused by UVB rays. Natural bleaching properties of turmeric help treat pigmentation.

AGE DEFYING (Dry Skin)

- **Collagen** builds a matrix to provide elasticity and firming to skin structure. By imparting deep conditioning, it eventually reduces appearance of fine lines and wrinkles.
- **Retinol** mitigates the effects of environmental stressors, refines and revives skin surface for an even complexion and helps reduce appearance of fine lines and wrinkles.
- **Green Tea** (Camellia sinensis) along with its antioxidant properties, polyphenols and catechins helps in activating skin cells and also impart an even skin tone.
- **Argan** (Argania) Oil is a quick absorbing high efficiency natural moisturizer containing Omega-6 fatty acids and Vitamin A. Its toning & sebum control properties & linoleic acid helps heal damaged skin cells
- **Sunflower** (Helianthus) oil is used as a natural emollient that helps retain moisture & acts as a protective barrier on skin. Its Vitamin E & Beta-carotene content prevents sun induced skin damage.
- **Kiwi** (Actinidia deliciosa), rich in minerals and vitamins, rejuvenates overall skin health and attacks free radicals to delay signs of ageing.
- **Eucalyptus** (Eucalyptus globulus) with its cineole & natural SPF has many innate properties that makes it very effective for skin care regimen.
- **Rosemary** (Rosmarinus officinalis), a clarifying ingredient with its phytonutrients and minerals, effectively works on acne, blemishes, age spots and wrinkles, to have an overall improved texture and complexion.
- **Vitamin E** apart from being an excellent moisturizer, fights free radicals to control premature ageing.
- **Coconut** (Cocos nucifera) helps to nourish dry and flaky skin with its emollient properties. Being rich in antioxidants, it helps neutralize free radicals and protect skin cells from premature ageing.
- **Amla** (Phyllanthus emblica), a powerhouse of Vitamin C & other nutrients, helps to get youthful glow & lasting radiance for an even complexion.

- **Wheat-germ** (Triticum vulgare) is the most nutritious component of the wheat kernel and contains 23 different nutrients, including proteins, vitamins, fatty acids and minerals that are effective in maintaining complete moisture balance. A quick absorbing oil, it helps dry or cracked skin conditions and mitigates scarring. It is a rich source of vitamin E, fights free radicals, supports collagen formation and maintains even skin tone.
- **Olive** (Olea europaea) is a rich source of vitamins, antioxidants, essential fatty acids, vitamin E, squalene & oleic acid. It has a regenerative power to keep your skin soft, supple, smooth, toned and firm. It gives a natural moisturizing & softening effect on skin and also acts as the perfect moisturiser especially for dry skin. Olive oil helps in fighting free radicals, promotes skin elasticity and helps mitigate skin damage due to sun exposure.
